

GRETCHEN WHITMER  
GOVERNOR

STATE OF MICHIGAN  
**DEPARTMENT OF TRANSPORTATION**  
LANSING

PAUL C. AJEGBA  
DIRECTOR

September 8, 2021

Dear Metropolitan Planning Organization Director:

The Michigan Department of Transportation (MDOT) is pleased to provide you with the state targets for the federally required safety performance measures for calendar year 2022. MDOT appreciates the efforts your Metropolitan Planning Organization (MPO) has made to participate in the coordination process for the safety performance measure.

**State Safety Targets for Calendar Year 2022:**

<b>Safety Performance Measure (5 year rolling average)</b>	<b>Baseline Condition (2016-2020)</b>	<b>Calendar Year 2022 State Safety Targets</b>
Fatalities	1,028.2	1,065.2
Fatality Rate Per 100 million Vehicle Miles Traveled (VMT)	1.051	1.098
Serious Injuries	5,673.2	5,733.2
Serious Injury Rate per 100 million VMT	5.778	5.892
Nonmotorized Fatalities and Serious Injuries (Pedestrian and Bicycle)	762.8	791.6

Federal Law and regulations require that MPOs establish targets not later than 180 days after the State Department of Transportation establishes and reports state safety targets in the State Highway Safety Improvement Program (HSIP) annual report. MDOT submitted Michigan's HSIP annual report on August 31, 2021. MPOs are now required to decide on their MPO safety targets for calendar year 2022 no later than February 27, 2022.

MPOs may support all the state safety targets, establish their own specific numeric targets for all the performance measures, or any combination. MPOs may support the state safety target for one or more individual performance measures and establish specific numeric targets for the other performance measures. Enclosed is a report documenting the background and analysis for the development of the safety targets.

Thank you for your participation in the performance measure coordination process.
