MDOT is once again asking for feedback on the Local Agency Program. Below is a link to a 22 question survey on the planning, design, finance and bid letting functions of the local agency federal aid program. This survey compliments a 2017 survey completed on MDOT Construction Oversight Consistency and Alignment. The survey shouldn't take more than 15 minutes to complete and we're asking that local agencies, local agency consultants, and MDOT staff involved in the local agency program complete the survey.

The survey is now open and will close on Friday, December 11, 2020.
