

ON & off Exit on
the Highway at
Waldo Road &
Wheeler Road-

ON & 888 Exits
at Jefferson
& the Highway
to avoid the Eastman
Road Congestion.

Do not agree with the "road diet"

Eastman Road between US-10 and ~~East~~ Commerce
Add Service Road on West side of Road
connecting all parking lots / lights to minimize
left turns except at lights.

We need on/off ramps at the Waldo - US-10 interchange
for both directions.
